BETWEEN DIAPERS AND NOTEBOOKS

ON THE FOLLOWING DAY AT SCHOOL ...

Thaís!

Hi Mrs!
What's up?

Everything's good.
Have you heard
from Fabiana?

Oh Mrs, I don't
think she is going
back to school.

Her mother found
a job and will work
all day ...

...so there'll
be no one to
look after
the baby.

What a
pity!

Do you have
Fabiana's phone
number?

I have her
mother's mobile
number ...

10

I'll try to
talk to her.

MRS ELAINE CALLS FABIANA'S MOTHER AND INVITES HER TO A MEETING AT SCHOOL.

Good afternoon!
Sorry I'm a little
late.

So, when will
Fabiana be
back?

In the meantime she's
not going to study.
I can't stay with the
baby for her.

I think
so too...

...You cannot imagine
how much I have
already cried because
of this...

But there's
no way...

Look Mrs. Grace, I
know that this is a
difficult time, but it's a
pity for Fabiana to
leave school.

I don't
know ...

But couldn't she
study at night?

Think about it.
Fabiana's still a
teenager. She has
the right to study!

THE FIGHT WITH CLAUDIO MAKES FABIANA THINK. SHE DECIDES TO SEEK OUT THE SCHOOL.

Fabiana! What a surprise! How is the baby?

Gabriel is great!

I am thinking of going back to school.

That's great!

But I don't want to stop breastfeeding Gabriel, and I already missed more than one month of classes. Can I still finish the year at school?

To continue breastfeeding you can leave your breast milk at home for your baby so your mother can feed it to him with a spoon. The doctor at the health office can teach you how to pump the milk.

But what about the classes I've already missed? Will the school help me?

We'll have to see... But don't give up!

THE TEACHER ELAINE DECIDES TO DISCUSS FABIANA'S CASE WITH THE PRINCIPAL OF THE SCHOOL.

Sandra? May I come in?

Do you remember Fabiana?

The one who had a baby recently?

Exactly. She wants come back to school.

Wow, but she has already missed two months of class!

And if she could take these classes later?

... we let her pass the year and, next year, she does the tests for the subjects she missed this year.

You are creating an exception. What do I do with the four other similar cases I have at this school?

Well, Fabiana is the only one who came to me. But I really think that all the girls deserve to be helped. When we are pregnant don't we have a leave from our jobs? Why can't they?

On that point, you are right ...

AND SO
